# *An Invitation*

## *David & Sue Parker*

*Ask you to consider a relaxing holiday on the West Coast of Scotland beside Loch Broom with seaward views to the peaceful Summer Isles one way and the noble Fannaich Mountains as a backdrop.*

*Ullapool is 4 miles down the loch side with opportunities to discover the North, South, East & West gems of Wester Ross & Sutherland.*

*We will be open for business for most of the year as Loch Broom enjoys it's own micro-climate and roads are kept open for the bus and ferry traffic throughout the winter.*

*We have central heating and under floor systems as well as a log fire.*

*We hope that you might consider us as an accommodation option and pass on details to family and friends should they be considering making the journey.*

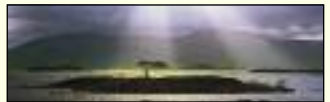

*We look forward to hearing from you and send our best wishes*
